

Welcome home

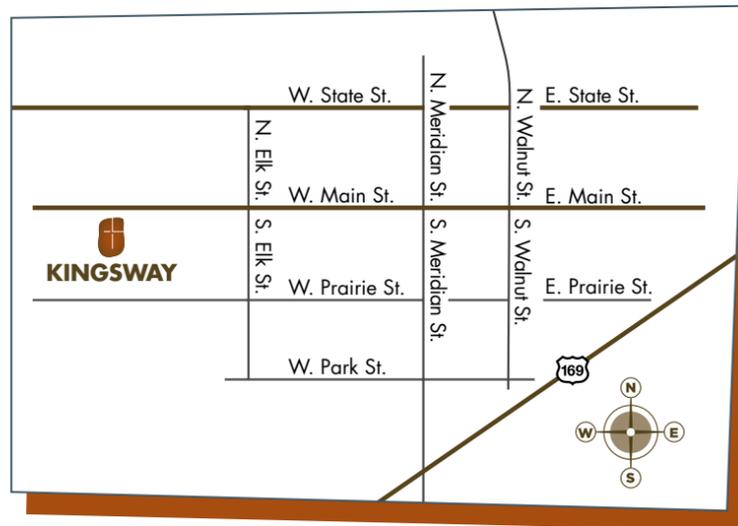

For four consecutive years, Kingsway Retirement Living has been presented with the Best of Assisted Living Award from SeniorAdvisor for receiving consistently high ratings from residents and their families. From our independent and assisted living apartments to our memory care studios, we offer a wide range of amenities to help you feel productive, secure and at home, even as your needs change. Our experienced and compassionate team is trained in the latest advances in care and can adapt services as needed. In addition, we offer eNeighbor®, an electronic health monitoring system that can help detect issues before they become more serious. Care of the soul is also a key part of Kingsway Retirement Living. Spiritual care is offered through worship services and Bible studies, and a staffed ordained chaplain is available for individual cares and concerns.

Kingsway Retirement Living is a vibrant community, and we invite you to discover this for yourself. For more information or to schedule a tour, call (952) 873-5900 or email info@tlha.org.
