Care of the Soul here.

The Bible is the foundation for our service to others. Opportunities abound for sharing the love of Jesus Christ with our residents. Not only will your physical needs be met, but we also place a great emphasis on spiritual support for your well being.

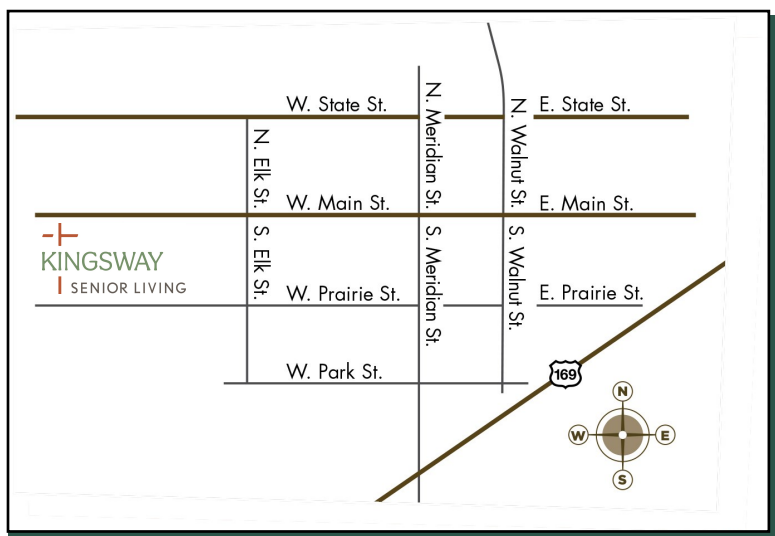

Through our on-site chaplain, we provide a variety of spiritual care programs including devotions, weekly Bible study and worship services, as well as individual, faith-based counseling.

Our residents enjoy the security and peace of mind of living in a Christian environment. Welcoming people of all faiths, we offer a Christ-centered environment. All residents, regardless of their religious affiliations, are invited to participate in our chaplaincy services.

“Many come to us and receive amenities that transcend programs and furnishings. They build lasting Christian friendships and a deep connection with Christ at a pivotal time in life.”

-Mark Hayes, President and CEO

Our Mission is to share Christ's love as we serve the spiritual, physical, intellectual and emotional needs of people entrusted to our care and others whose lives we touch.
